# They trusted us with their event

An unforgettable birthday, over the course of a winter weekend, in an exceptional place where one immediately feels at home. Les Maisons du Bonheur truly live up to their name, thanks to Daniéla, who runs them with heart and talent. Immense, sincere, and heartfelt gratitude to her and to her entire team for these precious moments, peacefully shared with our family and friends, made possible through collaborative, meticulous, and thoughtful preparation. Having ample time allowed us to organize a murder mystery party, adding a fun and memorable touch to the weekend. The comfort of staying on-site gave us the freedom to celebrate for as long as we wished, and to extend the experience the following day with a much-appreciated Sunday brunch.

A total disconnection in an authentic place where every little detail is simply extraordinary. A small village in itself, run by a wonderfully friendly team... an absolutely brilliant tasting... thank you for the warm welcome, the cleanliness, and the beauty of the place and of each room, each house, and all the thoughtful touches, the little notes... everything! We highly recommend it.

**Marie-Laure**

Les Maisons du Bonheur are among those places that truly have a soul: beyond the beautiful surroundings, the various houses offer a soothing atmosphere; you feel at home and privileged, surrounded by a team that combines professionalism with genuine warmth.

Thank you, Daniéla, and to the entire team for offering us this timeless experience. I wholeheartedly recommend it.
