Our wedding packages

They trusted us with their wedding

A wedding at Les Maisons du Bonheur is above all the guarantee of:

Experiencing an unforgettable moment in an exceptional wine estate with a unique family history. From the décor of each bedroom to the included services and the activities (boules, swimming pool, games, etc.), all our guests were full of praise for the venue.

Enjoying your wedding and your guests without worrying about a thing. Thanks to the Sérénité package, we had nothing to think about—except our guests and our activities.

Entrusting the organization of the most important day of your life to people whose kindness is matched only by their care and attentiveness. Whether it was Sébastien and Mira, our passionate and inspiring winemakers, Leila and her team who took care of us throughout the weekend, or our dear Daniéla, without whom nothing would have been possible and who showed exceptional generosity toward us.

Unfortunately, it is impossible to put into words all the emotion, joy, and peace we felt at Les Maisons du Bonheur, but we can only recommend this estate to anyone wishing to experience a truly exceptional and unforgettable wedding.

Thank you for everything.

Charlotte and David

A 5/5 rating isn't enough to express how we felt at the end of our exceptional wedding weekend!

Daniéla and Juliette managed our three-day wedding to perfection. From our very first exchanges, we were captivated by the stunning venue and the warm, welcoming team.

Juliette guided us throughout the planning phase, and then Daniéla took over for the weekend itself—overseeing the flow of events, the décor, and her cuisine, which all our guests praised! Her presence and genuine kindness allowed us to enjoy an unforgettable weekend.

And what can we say about Mira and Sébastien, who, alongside Daniéla, prepared a wonderful first evening for us!

We wholeheartedly recommend the “Sérénité” package offered by the team. It allowed us to focus our mental energy on other aspects of the preparations and arrive at the start of the weekend feeling relaxed rather than stressed.

Once again, a huge thank you to the entire team! We look forward to seeing you again on other occasions!

Jean-Michel and Thierry

We celebrated our wedding at Les Maisons du Bonheur in June, and it was a truly magical experience.

We chose the “Sérénité” package and were absolutely delighted with it. We highly recommend it, especially for those who do not live in the region like we do, as it allows you to fully focus on organizing the ceremony and key moments (cocktail, dinner, etc.) without having to manage all the logistics.

The estate is simply stunning, with spaces perfectly suited to each part of the celebration: ceremony, cocktail, dinner, brunch... Every corner reflects the care and attention brought by Daniéla. The rooms are beautiful, comfortable, and very well equipped, and we greatly appreciated the warm and harmonious atmosphere of the venue.

Daniéla took great care of us throughout the weekend, and Juliette was very available during the entire planning process. They both greatly contributed to making the organization smooth and effortless. You can truly feel that this place is run with passion and a strong attention to detail, right down to the thoughtful décor.

A magnificent venue, an outstanding team, and memories we will cherish for a lifetime. Many thanks again to the entire Les Maisons du Bonheur team for making our wedding so beautiful and memorable.
